1.3 Instructions

You may communicate your dealing instructions to us verbally or in writing (which will include by letter, fax or electronically). If you give us instructions in writing, such instructions must be received by us during normal business hours allowing sufficient time for us to act upon them. Any instruction is transmitted at your own risk. We shall not be liable for any loss suffered on account of any instruction not being received by us.

We shall be entitled to rely on and treat as binding upon you any order which we believe to be from you or from your agent(s) (however received) which we have accepted in good faith. No liability shall attach to us if an order which has been processed is subsequently discovered to have been given in error or without your authority.

You agree that acceptance of an instruction to withdraw or amend an existing instruction is always subject to our receiving the instruction in time for the appropriate action to be taken and subject to the applicable Rulebook.

You agree that all telephone conversations and any other communication across any media, which we may have with you (or any third party), will be monitored and recorded. Marex SA Affiliates that are engaged into the financial brokerage business will always record telephone conversations and electronic communications that result in transactions or that may result in transactions in Financial Instruments. Marex SA Affiliates will maintain accessible for a minimum of seven (7) years all the records (telephone conversation, electronic communication, elements of client's instruction processing) pertaining to client instructions and its related financial transactions. A copy of the recording of the communications will be made available to you on request for a period of seven (7) years from the date of the communication. All recordings and other records shall be and remain our sole property. We shall not be under any obligation to accept a dealing instruction from you nor need we give any reasons for declining to do so and, where we do accept a dealing instruction from you, we shall seek to action it as soon as reasonable practicable. Where we act as a principal in executing a transaction in an investment which is not a packaged product or readily realisable security, the unit price of the transaction shall be arrived at by reference to the market price for the investment then available on the market on which such investments are generally traded or, if no such price is available, on a best efforts basis, and any reference in a confirmation to a market price shall be construed accordingly.

2 Execution policy

2.1 Execution of Orders

These Terms incorporate our Execution and Order Policy, as amended from time to time. The current version of our Execution Policy is available on our website. By agreeing to these Terms and by providing instructions to us, you confirm that you have read and agree and consent to the Execution Policy. We will notify you of any material changes to our Execution Policy but it is your responsibility to check for any other changes to our Execution Policy as published from time to time on our website. You are deemed to agree and consent to the Execution Policy as in effect from time to time each time you place an order or submit a trading interest.

We may act on both a name passing basis or on a matched principal basis. Where we act on name-passing basis, we shall not, directly or indirectly, be acting as principal in respect of, or be responsible for, or otherwise guarantee, performance of any Broking Service provided to you. Where we or our clearer act as principal, you acknowledge, agree and consent to us or our clearer providing such Broking Service to you on a matched or riskless principal basis.

The circumstances in which a Marex SA Affiliate will not be executing orders on your behalf are set out in the Execution Policy.

When you give us a specific instruction for execution of your order, the Execution Policy will not apply and the Marex SA Affiliate in charge will execute your order in accordance with your instructions. You should be aware that providing specific instructions to a Marex SA Affiliate for execution of your order may prevent the Marex SA Provider from taking steps that we have designed and implemented through the Execution Policy to achieve Best Execution.

2.1.1 Client categorization

Marex SA Affiliates accept only clients that are Professional Clients or Eligible Counterparties. Marex SA Affiliates do not provide Investments Services to the retail market. As such, when you seek to enter into business relation with a Marex SA Affiliate for the purpose of Investment Service Provision we shall categorise you as either a 'Professional Client' or an 'Eligible Counterparty', based on the information available to us. This will be confirmed to you in writing and you shall notify us immediately if, at any point, you cease to fall, within such definition and you are responsible for notifying us of any change that could affect your categorisation.

You are entitled to request a different client categorisation. If you request categorisation as an Eligible

Counterparty and we agree to such categorisation, you will lose the protection afforded by certain of the MIFIR rules including:

- the requirement for us to act in accordance with your best interests;
- the restriction on the payment or receipt by us of any inducements;
- the obligation on us to achieve Best Execution in respect of your orders;
- the requirement to implement procedures and arrangements which provide for the prompt, fair and expeditious execution of your orders; and

If you request categorisation as a non-professional client we will not be able to deal with you.

Unless otherwise indicated in writing to us, we shall assume that there are no restrictions to the type of transaction we may enter into with you or the markets upon which transactions may be effected.

2.1.2 Professional Clients

When dealing with Professional Clients, we owe best execution obligations.

- In all circumstances where we have agency or contractual obligations with the client and;
- When dealing on own account, when circumstances demonstrate that the client is legitimately relying on us in relation to the execution of the transaction.

For the avoidance of doubt, Best Execution obligations apply when the Marex SA Affiliate executes an order on your behalf in the capacity of a Marex SA Affiliate OTF. Marex SA Affiliates are bound by an obligation of means in the context of best execution.

2.1.3 Eligible Counterparties

The Execution Policy does not apply if you have been categorised as an Eligible Counterparty.

2.2 Aggregation

The Execution Policy sets out our order allocation policy and provides for the fair allocation of aggregated orders and transactions, including how the volume and price of orders determines allocations and the treatment of partial executions.

Our general practice is not to aggregate any client orders with other client orders or any transactions for its own account.

Subject to Applicable Regulations and in accordance with our Execution Policy, a Marex SA Affiliate may combine your order with orders of persons connected with Marex SA Affiliates and orders of other clients. For Professional Clients, when doing so in relation to orders in Financial Instruments, the Marex SA Affiliates must reasonably believe that it is unlikely that the aggregation will work to the overall disadvantage of the relevant clients.

However, if that was the case, we will never allocate the related trades in a way that is detrimental to our client as stated in articles 68 and 69 of MiFID II Commission Delegated Regulation of 25.4.2016 and when applicable in DFSA Rule COB 6.6.2.

2.3 Trading and Positions limits

Position limits and position management controls may be imposed by Applicable Regulations. In relation to the Brokerage Services that we provide to you under these Terms, we may also set out and communicate to you appropriate trading and position limits to mitigate and manage our own counterparty, liquidity, operational and other risks.

In order to ensure compliance with Applicable Regulations with regard to position limits and position management controls or trading or position limits set by us, we may require you to limit, terminate or reduce the positions which you may have at any time and we may decline to execute an order, suspend your access to any EU Trading Venue or third country equivalent and/or Infrastructure, take action to close out any one or more transactions, or take any other appropriate action.

2.4 Transparency

Marex SA Affiliates or any Execution Venues accessed by a Marex SA Affiliate on your behalf may have regulatory obligations in respect of any pre-trade or post-trade information relating to the execution of any transactions. Where an Marex SA Affiliate executes an order with or for you it may make the relevant transaction information public or report such transaction information to a relevant public or regulatory authority in accordance with Applicable Regulations. You agree and acknowledge that Marex SA may use this information for its own commercial purposes and you waive any duty of confidentiality attaching to the information we are obliged to disclose.

Based on your classification defined in clause 2.1.1, we will assume that you understand investment risks and that you are financially able to bear such risks consistent with your investment objectives.

5.5.3 Conflict of interest

Your attention is drawn to the fact that when we enter into or arrange a transaction (including through a Marex SA Affiliate OTF) for you, we, an associated company or some other person connected with us may have an interest, relationship or arrangement that is material in relation to the transactions, investments or service concerned and you agree that we shall not be obliged to disclose this to you or to account to you for any profit. However, our employees are required to comply with a conflicts of interest policy.

This could happen when we enter into or arrange a transaction for you and:

- (i) we or one of our associated companies could for example be matching your transaction with that of another client by acting on his behalf as well as yours; or

In accordance with the Applicable Rules and our own Conflicts of Interest Policy (available on request or on our website), we have in place arrangements to manage conflicts of interest that arise between ourselves, or those of our staff, and our clients and between our different clients and therefore ensure that risks of damage to your interests will be prevented.

Neither we nor our directors, officers, employees, agents nor any other Marex SA Affiliate shall be liable for any loss arising from any act or omission of any agent or third party who performs services pursuant to these Terms except to the extent that such loss is caused by willful default, fraud or negligence in the selection of such agents or third parties on the part of us or our directors, officers, employees, agents or any other Marex SA Affiliate.

For the avoidance of doubt, nothing in these Terms will:

- (i) exclude or restrict any obligation we may have to you, nor any liability we may incur to you, in respect of a breach by us of the financial and security markets rules within our various jurisdiction of operation.; or
- (ii) exclude or restrict to an extent prohibited by law any duty or liability we may have to you.

You irrevocably and unconditionally agree to indemnify us, our directors, officers, employees, agents and any other Marex SA Affiliate on demand and keep us fully and effectively indemnified (whether before or after termination of these Terms) against:

- (i) any claims, liabilities or expenses of any kind which may be incurred by us as a direct or indirect result of our acting under these Terms; and
